Bethany Merkling,

This letter is to notify you that the Colorado Department of Education has approved certain waivers from state statute and rule to World Compass Academy through June 30, 2020, which were requested on the Charter Waiver Request form dated August 6, 2015. I would like to congratulate all of the people involved in the process of making this charter school a reality.

Please note that charter schools must always meet the provisions in the Charter Schools Act. In addition, the waivers are subject to review by the Colorado Department of Education at any time.

Please contact me if you have any questions.

Sincerely,
