Placement of Newly Hired Teachers on the Salary Schedule

- Step - One year of relevant full-time work experience.
- Part-time or partial year experience is credited as a year of service if at least 120 days during the year were at half-time (.5 FTE) or greater.)
- Highest starting point for first year at Wyatt is Step 8.
- Annual Salary is based on:
205 day work year for newly hired Teachers at Wyatt
200 day work year for returning Teachers at Wyatt
- Annual compensation for those who begin work after the announced first day of work for Teachers will be pro-rated, based on FTE and date of hire

Returning Teachers

- Teachers beginning their second year at Wyatt will move horizontally to the Step that corresponds with their actual experience (as defined above).
- Annual Step increases and/or modification to the salary schedule are subject to Board of Directors approval and the School's budget.
